

- a. Uniforms and Dress - Appropriate for the event.
- b. Reviewing party will be at 7th and Congress Avenue.
- c. Unit Identification - For Capitol Area Council units only. To identify your unit while passing the reviewing stand, each unit must carry a sign no smaller than 24" x 30", indicating pack, troop, team, crew, or post and number, unit leader, sponsoring institution, and location. This sign must be carried at the right front of the unit so that it may be seen by the announcer. Without a sign, we can't tell who you are.

3. Detailed Plan for the Parade

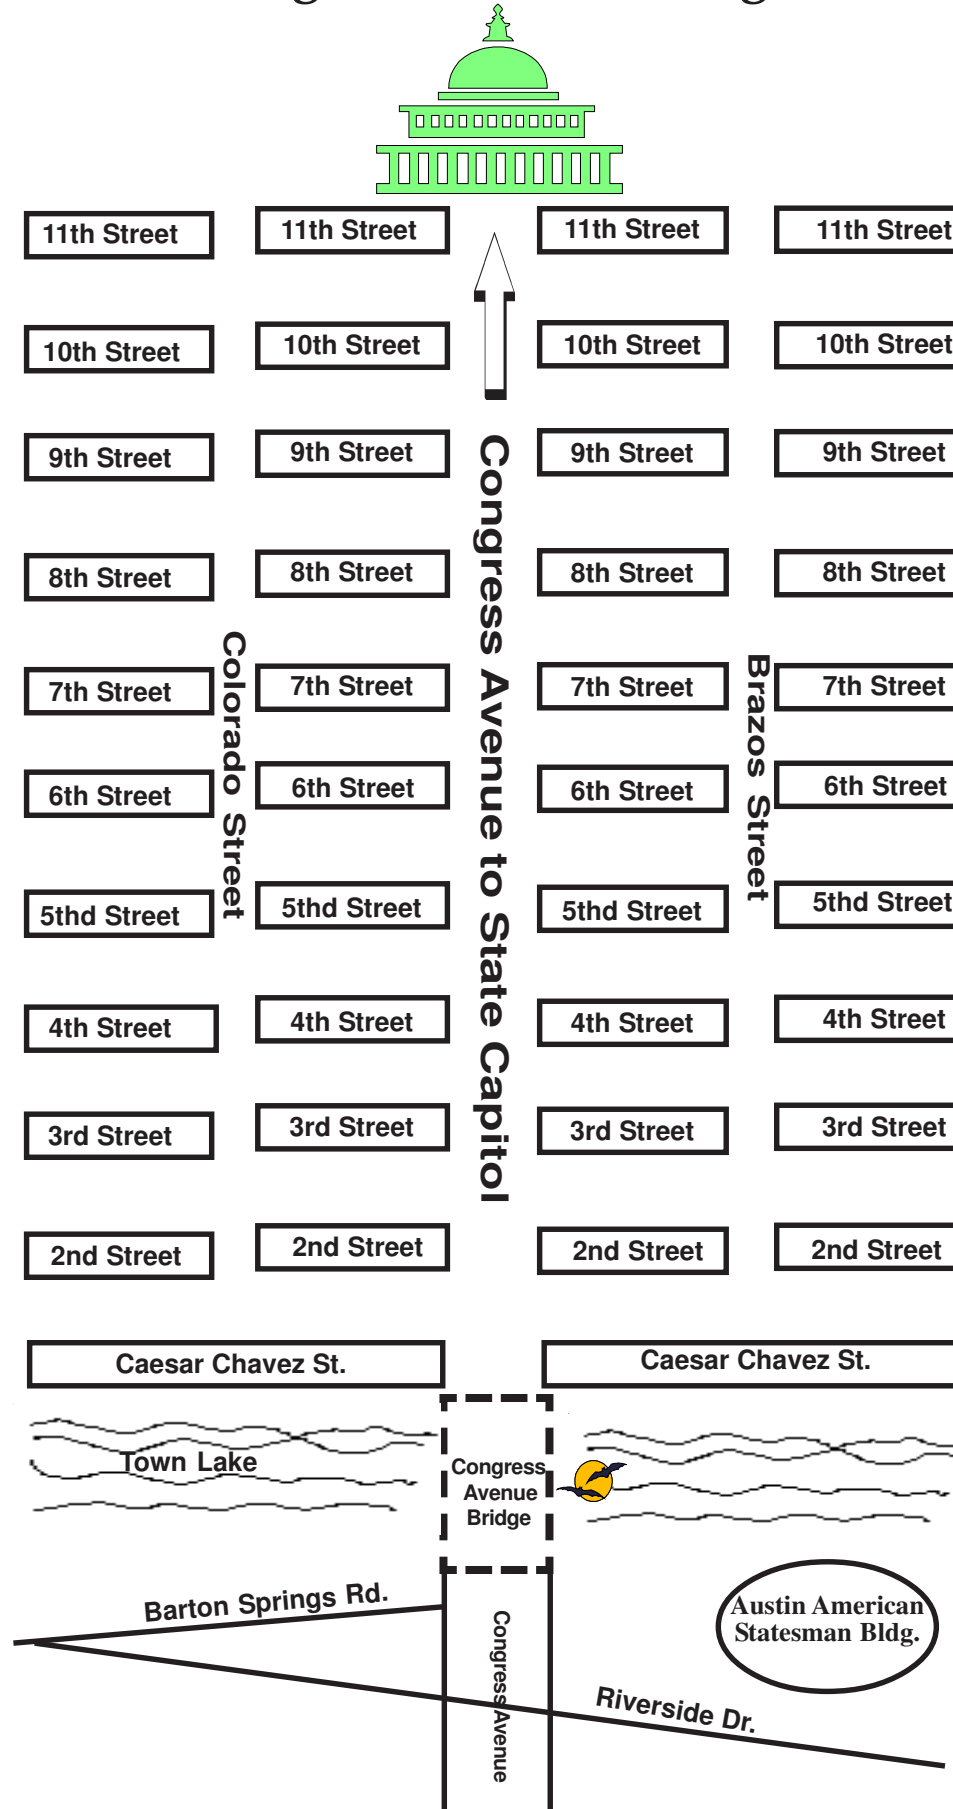

- a. Assembly Area for the Parade - The assembly area will be on the Congress Avenue Bridge. All units must be in their assigned spaces no later than 9:00 a.m. We suggest you assemble your unit at a convenient location and go as a group to the parade location. Please do not use the bridge as a gathering point. This causes a great amount of confusion.
- b. Order of March - Units will be lined up facing north on Congress Avenue. All U.S. flags will be massed and each unit will send their U.S. flag bearer to assemble in the area of massed flags. No U.S. flags will appear after the massed flags unless a part of the unit's theme. Unit floats will be placed in position by the district parade marshal on a first come first served basis. Units are encouraged to promote the parade theme by researching and displaying Scouting insignia and emblems from Scouting programs from other countries.
- c. Route of March - Units will proceed north on Congress to 11th Street. Dispersal will be on the grounds of the State Capitol. DO NOT block the area. Large floats and vehicles will turn left on 11th Street and park between Congress and Colorado Streets. DO NOT STOP IN FRONT OF THE REVIEWING STAND TO PERFORM.
- d. Because of safety considerations, animals will not be used in the parade, and please do not throw candy, gum or other items from floats.

4. The object of the parade is to celebrate the anniversary of Scouting in America and have fun doing it. A special neckerchief and patch will be available for purchase by all participants. Please use enclosed order form which must be turned in by January 18, 2006. All orders must be accompanied by the correct amount of money. Orders may be picked up at the parade staging area. Please see your parade marshal or district executive. No Neckerchiefs or patches will be ordered without prepayment.

5. **Those planning to observe the Report to State or take tours of the Capitol need to be aware that security measures require all backpacks and bags be searched. Additionally, all cell phones and pagers are examined. It is therefore recommended that these items remain out of the Capitol and someone be appointed to watch over them. It is also recommended that all knives and/or multitools be left at home.**

6. Plan now to participate and make this parade the best and most exciting event yet!
