

## ***COMMUNITY DONATION DRIVE for COVID-19 RESPONSE***

---

**Drop off donations at Bicycle Sport Shop, Wednesday through Sunday, 11:00 to 5:00**

---

Friends,

In coordination with Austin Public Health and the City of Austin, Dell Medical School continues to seek donations of supplies to support our community's response to COVID-19.

In addition to PPE for front-line healthcare workers, we need supplies for community groups addressing the needs of other front-line providers and those they serve, like vulnerable older adults at home, people experiencing homelessness and families who have lost incomes.

**DONATIONS NEEDED NOW:** For a complete list, see [ATX Donation Drive](https://atxcovidexchange.org) information on [atxcovidexchange.org](https://atxcovidexchange.org).

- Face masks (surgical masks, masks used by painters, carpenters, hobbyists, etc.)
- Medical gloves & disposable food service gloves
- Digital thermometers & covers (clean used thermometers are accepted)
- Infrared/Touch free thermometers & covers (clean used thermometers are accepted)
- Cleaning supplies (wipes, sprays & jugs of disinfectant)
- Individual & commercial-sized rolls of toilet paper for local shelters and food pantries
- All sizes of bottles of hand sanitizer
- Tents (1-2 person) for people experiencing homelessness

*Original/unopened items are preferred, but not required. Open boxes with unused items are accepted. Please DO NOT donate used gloves or masks. No questions will be asked.*

### **DONATE HOMEMADE/DIY FACE MASKS FOR OTHER FRONT-LINE PROVIDERS:**

See our [recommended design specifications](#) and coordinate donations on [atxcovidexchange.org](https://atxcovidexchange.org).

**DONATION DROP OFF: 11:00 a.m. to 5:00 p.m. Wednesday through Sunday** at the following **Bicycle Sport Shop** locations:

- 517 S Lamar Blvd, Austin, TX 78704
- 9900 W Parmer Ln, Austin, TX 78717
- 10947 Research Blvd, Austin, TX 78759

Our community has an opportunity to come together as we get further into this pandemic - let's help our health professionals and vulnerable populations stay safe. **Thank you!**
