

Capitol Area Council
BSA Aquatics Supervision
Swimming and Water Rescue
One Plus One class
Bring your own victim

The Capitol Area Council Aquatics Committee is offering a course in Swimming and Water Rescue. This course provides leaders with information and in-the-water skills to prevent, recognize, and respond to swimming emergencies during unit swimming activities. It also expands awareness instruction provided by Safe Swim Defense training to include basic water rescue skills.

Successful completion of the Swimming and Water Rescue training will authorize students to conduct the standard BSA swim classification tests.

Due to COVID-19 precautions. This is a bring your own practice partner from your own household. The victim must be able to pass the Swimmer Classification to participate.

No charge for the victim. They do not get a book. Scouts 15 years old and older can earn the patch and card.

Where: 4400 Switch Willo #9 , Austin, Texas 78727 for the Sat. Pool work

When: Wednesday September 23rd , 2020 Zoom classroom 6pm-10pm

Saturday, September 26st, 2002 In water portion (8am – 12 noon).

Cost: \$65 for the class (including Aquatic Instructor workbook, and certification patch)

- Limited Space! This course fills up quickly.

Health Forms: You must bring a copy of your Annual Health and Medical Record (Part A and B) to the training.

Must sign the COVID Risk acknowledgement agreement

Swimming Requirement: You must be able to pass the requirements for a BSA "Swimmer" and a final written exam for completion. This training will train you to conduct the BSA Swim Checks, so students should expect to take the swim check more than once in addition to complete in-water rescue techniques.

The training is open to any registered adult leader, Scout, or Venture, who is age 15 or older. For additional information, contact Dean Woodley Liveoak@texas.net 512-796-3025
