FREE Credit Transaction Processing

Unit Payment Management

- Units take credit transactions via the Trail's End App or record online sales or record parent credit payments.
- If units have a balance due to council on the popcorn invoice statement, credits will automatically be applied towards the unpaid balance two (2) days in arrears. For example, an app sale or online sale recorded on Monday would be credited against the popcorn invoice statement at the end of day on Wednesday.
- If units have a zero (0) balance due to council on the popcorn invoice statement, available credits can be transferred to the unit's bank account via direct deposit (units add banking information in www.trails-end.com - required to receive payment).
- Direct deposits will be made according to the Unit Payment Schedule to the right.

Built with Square payment processing

- Works with all Square readers - just connect to your phone or tablet
 - Accepts transactions via swipe, chip reader, Bluetooth NFP (contactless payments), and manual entry
- Does not link to existing Square accounts
