Welcome to Lost Pines Scout Reservation. As an adult leader bringing your troop to Winter Camp at Lost Pines, you will be providing your Scouts with an experience that they will remember for the rest of their lives. They will advance in Scouting along the Trail to Eagle by completing key Eagle required merit badges – many that are not offered at any area Summer Camp. They'll also be able to take a variety of elective merit badges and participate in a few special programs. Most of all, they'll have a great time and will come home with a real feeling of accomplishment.

Adults will find Winter Camp a pleasant experience (winter at Lost Pines is usually relatively mild), and a great opportunity to take or renew adult training.

Lost Pines is routinely inspected and meets the standards established by the B.S.A. National Office for an Accredited Boy Scout Resident Camp. Lost Pines is also annually inspected by the State of Texas Department of State Health Services. All of our key staff members are trained through the B.S.A. National Camp School system.

Why are they “Lost Pines”?

The 537 acres of Lost Pines Scout Reservation are part of a 75,000 acre area of central-eastern Bastrop County which contains a substantial population of loblolly pines*. Early settlers referred this area as the “Lost Pines” because it is separated from the pine forest of East Texas by a distance of around 80 miles. These tall pines are possibly the remnant of a larger pine forest along the Colorado River, which shrank during or soon after the Pleistocene, or Ice Age, an epoch stretching from about 1.65 million to 10,000 years ago. Some ancient, possibly geological event such as a moving glacier worked to separate the Lost Pines from their East Texas cousins. In other words, these pines have been “lost” since long before Europeans came to Texas!

*Loblolly - a pine species with flaky bark, spiny-tipped cones and long needles in groups of three, are found throughout the southern United States.

Preparing for Camp

Register Your Troop

ALL Troops must submit a Winter Camp Reservation Form [Capitol Area Council - LPSR Winter Camp \(scoutingevent.com\)](#) or contact Keri Smeaton at the Council office at 512-617-8610 or keri.smeaton@scouting.org to reserve your week and pay your deposit.

Submit First Payment (\$100 per scout) by October 30

Request Campership Grants by October 15

A limited number of camperships are available each year for Scouts that have severe financial hardships. Troops should encourage Scouts to earn their own way through unit fundraisers. Camperships cover up to 50% of the camp fee. Please use the campership application (https://www.bsacac.org/wp-content/uploads/2019/05/camperhsip_assistance_form.pdf) to apply. **This application must be submitted to the Council by October 15.**

Select Merit Badges for Your Scouts before November 30

Use the Program Guide section of this book to help determine course schedules for each of your Scouts. Please pay special attention to age requirements, prerequisites and requirements that will not be completed at camp. Be sure to register for merit badges early as some classes fill up quickly! You can select courses in DoubleKnot until November 30. After that, all requests must be emailed to the Registrar.

Recruit Adult Leadership and Submit Forms by November 30

Important BSA policy Changes: Effective 05/2018 ALL adults attending camp must be registered members of BSA. Two registered adult leaders over 21 years of age are required for all Scouting activities. ALL adults attending camp and staying overnight with a troop must comply with the following:

1. Complete the on-line Youth Protection Training (dated after December 18, 2019);
2. Complete the Texas Youth Camps Health and Safety Act Form: [Microsoft Word - 2016 Boy Scout Summer Camp Leaders Guide - LPSR - final 2feb.docx \(bsacac.org\)](#) To make your check-in process as quick as possible at camp, submit the necessary adult forms to Council at 564roster@scouting.org no later than November 30.

Submit Final Payment (\$95 per Scout and \$95 per adult) by November 30 via Black Pug.

Collect Current Medical Forms Early & Prepare Binder for Check-In

Every Scout and Adult attending camp will need a completed BSA Medical Form parts A, B and C with a physician signature dated within the last 12 months. Note that Part C requires a Tetanus booster within the last 10 years. You will need to turn these in to the Camp Health Officer at check-in. Make a copy of all forms, leave the original at home and bring all forms in a binder alphabetized with Scouts in front and adults in back.

Plan for and Communicate Dietary Needs

Lost Pines strives to provide options to fit a number of dietary needs with every meal. Upon request, we can provide pork free, gluten free and vegetarian options for those with dietary restrictions. When registering, please be sure to indicate if members of your Troop will require pork free, gluten free or vegetarian meals. We do acknowledge that we cannot accommodate all dietary needs (including dairy and nuts). For those instances, microwaves and refrigerators/ freezers are available in the back of the Dining Hall for camper and leader use.

Electronic Devices and Internet Access

Lost Pines offers wireless internet access to camp attendees at many common-areas across camp. Access is intended as a privilege to be used in accordance with Scouting's values for the purpose of furthering Scouting experiences while at camp. It is the responsibility of unit leaders to decide if their Scouts are allowed to bring mobile electronic devices including but not limited to cell phones, tablets, and laptops and to establish standards for the usage of these devices within their unit. If units elect to allow mobile electronic devices, it is up to the unit leaders to be sure their Scouts have completed the necessary Cyber Chip requirements.

While this system features similar categorical firewall content restrictions, site blocking, and protection that you would expect with most elementary schools, by accessing the Lost Pines Network, individual users agree that The Boy Scouts of America, including the Capitol Area Council and Lost Pines Camp Staff assumes zero liability or risk for data transmitted through the Lost Pines Network by personal devices while connected to the network. Users are solely responsible and legally liable for any/all data accessed/transmitted through their device while connected to the Lost Pines network. The Capitol Area Council and camp staff reserves the right to revoke or limit network access to any user or device at any time without notice.

Please note that some merit badges may require the use of internet in order to complete the requirements.

Provisional Scouts

While it is preferred that Scouts attend camp with their Troop, we recognize that there are Scouts who would like to come to Lost Pines when their Troop doesn't attend. We will accommodate these Scouts as Provisional Scouts by placing them in their own Troop or with another Troop registered for the week requested. They will follow the guidance of that Troop's adult leaders while at camp.

Provisional Scouts must register through Black Pug [Capitol Area Council - LPSR Winter Camp \(scoutingevent.com\)](http://scoutingevent.com). A \$100 non-refundable deposit is required at the time of registration. The fee for individual (provisional) Scouts will be \$240. If a parent is attending camp with a provisional Scout, they must be a registered leader with the BSA and the \$100 leader fee will apply.

Troops who cannot meet the two-adult minimum requirement are encouraged to partner with another troop in advance to meet this requirement. Notify the Council when registering for camp so that we can insure both Troops are placed in the same campsite. When 4 or more Scouts from the same unit are wanting to camp as a Provisional Troop, adult leadership is expected and registration may be denied if leadership is not provided.

Special Note for Out-of-Council Units

All registered members (youth and adult) of the Capitol Area Council are covered by the Council accident and sickness insurance policy. **Out-of-Council units must provide proof of insurance at check-in.** Your home Council should be able to provide guidance on obtaining this information.

Changes to Your Reservation

Please contact the Council office for availability should your attendance numbers change from your initial reservation estimate. NEW SCOUTS who join your troop after the November 30 reservation deadline must pay as soon as possible. Balances are still due by the final fee payment date. **Should your Troop have a decrease** in the number of Scouts who will be attending camp between September 1 and your final payment date, December 1, please notify the Council office.

Refund Policy

For the Council's full Refund Policy please go to http://www.bsacac.org/about/refund_policy.

The Campsite Reservation fee of \$25 per Scout is **not** refundable if the Troop does not come to camp.

Arriving at Camp

Camp check-in begins at 10am on Day 1 of camp and Troops are asked to arrive before noon. Lunch will be served in the Dining Hall. We ask that you view our check-in video at <https://youtu.be/5iAqi63mwZ8> for an overview of the check-in process and how to make it faster and easier for your unit.

Upon arrival at camp, please park all vehicles in the designated lot. Staff will be available to escort your Troop's trailer to your campsite or assist in transporting gear for Troop's without a trailer.

The troop must report to Lindsay Lodge for troop check-in and medical check-in.

At Lindsay Lodge, there will be an easily identifiable camp staff member who will connect your Scouts with their Camp Troop Guide and direct the adult leaders to the appropriate location. You will have the option of (a) leaving your Scouts outside Lindsay with their Troop Guide(s) or (b) allowing the Troop Guide(s) to take them on a camp tour while you complete the check-in process.

If you have two adult leaders, you can speed up the process by having one handle the unit check-in and one do the medical recheck.

- **Unit Check-In:** Conducted in Lindsay Lodge, this is a multi-step process where you will do the following:
 - Verify all adult leader forms (TX Youth Camps form and YPT cards)
 - Verify camp attendance versus registered and dietary restrictions (gluten free and vegetarian only)
 - Provide proof of BSA registration for all adults at camp (copy of BSA Membership Card or current unit roster printed from my.scouting.org)
 - Pick up your check-in packet which contains wristbands to be worn at all times and other valuable camp information
 - Provide on-site adult leader contact information
 - Sign-up for flag ceremonies, grace before meals and Scout's Own worship service
- **Medical Recheck:** Conducted in the Health Lodge adjacent to Lindsay Lodge, you will need to provide the following:
 - Medical Forms: Anyone staying on camp must have the BSA Medical Form parts A, B and C with a physician signature within the last 12 months (please note that school physical forms **do not** meet the BSA requirement and cannot be accepted). The troop is encouraged to bring medical forms in a three-ring binder with two sections. Scouts' forms should be in alphabetical order in the first section and adult leaders' forms in alphabetical order in the second section.
 - Health Screening Form completed prior to camp
 - Medication Log for your Troop. All medications must be managed by an adult leader. You will also be asked to verify the medications will be stored behind two locks, as per BSA requirements.
 - Any Scouts/adults with Epi-Pens or inhalers will need to see the medic at this time

Following check-in, if not already done, a staff Troop Guide will take your Troop on a camp tour of the main camp area. The tour will include the Dining Hall where the Scouts will learn of their assigned table that they will be responsible for during the week and how to enter for meals.

Vehicles

NO vehicles will be allowed in the campsites. You may park one trailer with attached vehicle outside your campsite as identified by the camp. If you require assistance in transporting gear into your campsite, please make a request during check-in.

Sharing Campsites

All Troops should expect to share their campsite with another Troop. Please be courteous and do not take over the entire campsite including fire rings, picnic tables, pavilions and tents.

Merit Badge Class Changes

There is an opportunity after check in on Day 1 to make changes in your Scouts' schedules. Remember, some merit badges may no longer be available.

Flag Retreat/Dinner

All troops should report to the parade ground flagpole by 5:40 pm in Class-A uniform for the formal flag retreat and any announcements. Troops are released from the flag assembly one at a time to go to the dining hall for dinner. Please make sure your Scouts **walk** from the flag assembly to the dining hall!

During Camp Week – Campsite, Policies and Resources

Conduct Policy

The conduct and discipline of the Scouts in your troop is **YOUR** responsibility. This is a camp policy that we have found to be of mutual benefit. The camp staff will not discipline your Scouts unless it is a case of imminent bodily injury or property damage. Your campsite is your home. Entering or loitering around another campsite without that troop's permission invites problems. Taps is at 10:30 pm. All campers are expected to be in their own campsite by that time. Troop activities such as night hikes, astronomy, etc., are encouraged and would constitute an exception with appropriate adult supervision. Youth campers found outside their own areas after 10:30 pm will be escorted back to the campsite by a staff member. We appreciate your cooperation.

Please abide by the Outdoor Code while at camp. Do not cut or mar trees. Help your Scouts know the importance of caring for trees and all property. **Capitol Area Council prohibits the use of hammocks on all of our properties. Hammocks will not be allowed at Lost Pines Scout Reservation.**

Uniforms and Shoes

The complete, official Scout field uniform is to be worn properly by Scouts and adult leaders at flag retreat and dinner. NOT PERMITTED are caps and T-shirts, etc., with words or pictures not representing the best spirit of the Scout Oath and Law. For safety reasons, **completely closed shoes (sneakers or boots) are to be worn at all times. Shoes with open sides and backs (i.e. Crocs and hiking sandals) are not allowed** (except in your tent, or in the shower). A Scout with a cut foot is an unhappy camper! Also, **a shirt with sleeves must be worn at all times.**

Camp Commissioners

One of the most important resources at camp is the Camp Commissioner staff. They are experienced Scouters who have volunteered their time to assist your Troop during your camp adventure. They will be available to answer questions and to help coordinate the various activities during the week. Camp Commissioners are a tremendous resource – if you need help with anything, please don't hesitate to ask them!

Bathhouse Cleaning

Bathhouses are associated with campsites. The campsite your Troop is in determines which bathhouse you will use and are responsible for keeping clean. Bathhouse assignments and cleaning schedule will be provided at check-in.

Troops are responsible for cleaning all areas of the assigned bathhouse in the afternoons and evenings. When it is your Troop's turn, be certain that all trash and paper is picked up and disposed of, floors are swept and mopped, and toilets and sinks are unplugged and clean. Your Troop is responsible for cleaning both the youth and adult sides of the assigned bathhouse.

If repairs are necessary in the bathhouse, please inform the Camp Commissioners. **If damage from vandalism occurs, your Troop is financially responsible for the cost of repairs. This cost may/will be allocated between the Troops assigned to the bathhouse.**

Bicycles and Helmets on Camp

Bicycles with helmets are permitted on camp roads only. **Rider must wear a helmet and proper clothing at all times** and yield the right of way to individuals who are walking. If a bike is ridden after dark, it must be equipped with a white front light and red back light. Individuals with bicycles are responsible for following Bicycle Safety as outlined in Guide to Safe Scouting

Fires & Fuels

Ground fires are permitted during Winter Camp in a fire ring IF a burn ban is not in place. If your unit wishes to have a fire, the Troop Leaders must complete the Ten Steps to a Safe Fire form (found in your check-in packet) and have it and your Unit Fireguard form posted in the campsite

Liquid or propane fuels are to be used only under adult supervision and must be stored under lock and key. Liquid fuels cannot be used on open fires or to start a fire. National policy prohibits the use of open flames in tents. This includes mosquito coils, catalytic heaters, gas lanterns, stoves, candles, and smoking materials.

Tobacco, Alcohol, Illegal Drugs, Fireworks, Firearms, Knives and More

Adult leaders should not allow the use of tobacco products (this includes vapes) at any BSA activity involving youth participants. In addition, tobacco use in the presence of Scouts is not permitted at camp. Adult Leaders wishing to use tobacco products may do so only in the Commissioners Area. The consumption, possession, or use of any alcohol, illegal drug or controlled substance is strictly forbidden on any Capitol Area Council property. We will enforce all local, state, or federal laws where violations involving the above are reported. Fireworks, pets, personal firearms and ammunition, and personal bows and arrows, of any type are not allowed at camp. In addition, camp policy prohibits the carrying of fixed-blade knives except for the purposes of OA ceremonies and Living History night. Do not take home any wild animal. Pets of any kind are not allowed on camp unless they are a service animal. Violators will be asked to leave camp.

Tools

Camp Commissioners have an assortment of tools for your use as well as a list of available service projects. Check them out when you need them and return promptly after you have finished with them so others can use them. All equipment checked out to your Troop must be returned or paid for before you leave camp.

Visitors

All visitors to camp must check in at Administration Building immediately upon their arrival at camp.

Lost and Found

Lost and found will be kept at the A Building. On Day 3 morning all lost and found items will be moved to the porch of A Building. Please take only what belongs to you from lost and found area. Unclaimed items will be kept at the Fickett Center for 30 days before being donated to a charitable organization.

Camp Staff Areas

Scouts are not allowed in the camp staff area at any time. We ask Troop leaders to help enforce this policy.

Trading Post

Ask your Scouts to use discretion when buying drinks and candy at the Trading Post. Please help us keep the drink containers, papers, and trash picked up. Various handicraft kits and supplies are offered along with T-shirts, mugs, and literature such as handbooks, and merit badge books. The Trading Post accepts major credit cards.

Adults During Camp Week

BSA policy requires two adult leaders be on camp at all times (leaders may rotate if necessary). **Important BSA policy Changes: Effective 05/2018 ALL adults attending camp must be registered members of BSA. Two registered adult leaders over 21 years of age are required for all Scouting activities.** Visit classes periodically to observe your Scouts. Check your mailbox in the A-Building every morning and afternoon for status updates on your scouts as well as any mail you may receive.

Even though it may be cold, watch your Scouts for dehydration. If they get headaches, homesick or aren't hungry – make them drink water. They are very likely dehydrated. Scouts should drink at least 8oz of water per hour.

Coffee & Internet

With coffee always on and wi-fi readily available, adult leaders can congregate in the dining hall for refuge and a chance to catch up on some of the paper work as well as to socialize with other leaders.

Volunteer

Each adult leader who comes to camp brings special skills or teaching abilities that can benefit the camp program. If you can assist in teaching or want to instruct a merit badge, please talk with the Program Director on Day 1. Or, if you are a carpenter, electrician, plumber, or handyman, our camp can sure use your skill during the week. Bring your tools and feel as if you're still at home! Check with the Program Director or Camp Director at check-in or any time during the week.

Adult Training

Each week, classes including Scoutmaster Position Specific, Introduction to Outdoor Leader Skills, Troop Committee Challenge are taught to Scout leaders. The exact offerings will vary based on trainer availability. If you are interested, please consult the adult training schedule provided at check-in or ask a commissioner.

Adult Leader Meeting

Adult Leader meetings are held daily at 10am in the Dining Hall. This meeting provides the troop leadership the opportunity to discuss upcoming activities, sign up for various activities, problem solve, and learn more about camp programs and opportunities at Lost Pines. **It is very important that one or more adult leaders from each troop be present at this daily meeting.** If possible, **all adults** should attend this meeting.

SPL Meetings

Make sure your SPL (or his designee) attends the daily Senior Patrol Leaders Meetings. This meeting takes place in the Commissioners' Area Dining Hall at 1:15 pm. This meeting serves to provide SPL's with the information they need regarding campsite inspection, changes to the camp program, and other information. **It is mandatory that each Troop be represented at this meeting each day.**

Health and Safety

The Health and Safety of the Scouts and Scouters is a primary consideration at Lost Pines. We provide a Health Lodge for minor medical care and support, to enforce the Boy Scouts of America's Health and Safety, and Youth Protection policies.

Health Lodge

One or more persons trained to handle minor accidents or illnesses staff the Health Lodge. Special arrangements for the treatment of more serious cases have been made with physicians in Bastrop. In the event such treatment is required, the camper's parents will be notified by telephone giving the nature of the emergency and their desires concerning further treatment.

It is the responsibility of the troop leadership to provide transportation for troop member(s) requiring services from a doctor or hospital. Two-deep leadership must be maintained with the injured Scout and the Troop at camp. The leader must obtain the injured Scout's health record from the Health Lodge before going to the doctor or hospital. Directions to doctors' offices and hospitals are available at the Health Lodge.

Medications

Medications to be taken at camp **must** be controlled by the unit leader. **All medications must be in the proper original containers** labeled with the patient's name, medication name and written dosage directions. Unit Leaders must have the Medication Log found in the appendix filled out and turned in at medical recheck. Adults MAY dispense medications to Scouts in the troop but must **NEVER** allow medication to be in the possession of a Scout. The only exceptions are epi pens and inhalers which the Scout is trained on and needs for extreme emergencies.

A Scout is Reverent

Grace

During check-in, Troops will be asked to volunteer to lead the camp in grace before meals. Troops will provide a representative to lead the camp in grace after evening flag ceremonies or in the Dining Hall line before breakfast and lunch are served. The Lost Pines Grace or the Philmont Grace is always appropriate, but other graces may be used if they are appropriate for the variety of religious beliefs that are present. If you have any questions, you may check with the Camp Chaplain, the Camp Program Director or Camp Commissioners.

Chapel Service

Please encourage Scouts to attend the Chapel Service, held Day 2 at 5:00 pm at the camp Chapel, near Fish campsite. If your Chaplain's Aide or other Scouts wish to participate in the service, please contact the Camp Chaplain at check-in. All are welcome to attend.

Schedule Overview

Program Areas

Merit Badge and related activities at Lost Pines are designed to fit into a three-day schedule. Classes begin at 2:00pm on Day 1. Days 2 and 3 will have three sessions in the morning with two more sessions in the afternoon. Three additional morning sessions will occur on Day 4. We recommend that Scouts obtain the merit badge pamphlets (available at the Scout Shop) prior to camp so that they can do advance study to be well prepared for camp.

MB Courses have minimum and maximum participant limits built into the event registration system. If demand is low for a particular course, it may be cancelled. Every possible effort to alert the troop contact person of changes will be made. Eagle required MB are the priority at this camp and will not be dropped. If the MB does not appear in Doubleknot, it is probably full. Scouts should give their unit representative their top 4-6 MB in order of preference. This will aid their representative in entering the classes for each Scout. MB selections are taken on a first come first serve basis

In many cases, the merit badges cannot be completed during camp (ex. Personal Management requires the Scout to develop and maintain a budget for three months). Scouts will receive "partial" credit for any merit badge showing the requirements they completed. Troops should plan their program to help their Scouts complete the merit badges after camp.

The ATV Safety Certificate Course is only open to Scouts 14 years of age or older and requires long pants, long sleeve shirt, and ankle high or higher boots.

For Climbing Merit Badge and for Open Tower you need to have pants with belt loops in order for the harness to fit properly.

Eagle Quest

Eagle Quest will be a three-session class over ½ day the six periods for Scouts still needing a lot of rank advancement for Scout, Tenderfoot, Second Class and First Class.

Evening Activities

There are a variety of evening activities. On **Day 1**, will be Living History night and Order of the Arrow social. **Day 2** is movie night (required for Citizenship in the Nation). **Day 3** is closing campfire on T-Bird Island.

Dining & Diet

Meals are served cafeteria style in our Dining Hall. To avoid crowding, your troop will have an assigned table(s). Menu will be posted to the winter camp page and should be reviewed for possible allergies. A refrigerator/freezer and microwave will be provided for individuals with special dietary needs. Food should be in Ziploc-style bags labeled with individual's name and Troop number. All Scouts must be accompanied by an adult when getting food in the kitchen area.

Order of the Arrow Tonkawa Lodge No. 99

Arrowmen in Camp

All Arrowmen are encouraged to pack their OA sash right next to their Scout spirit of cheerfulness and service and bring it all to camp! During Winter Camp at Lost Pines Scout Reservation, the Order of the Arrow has several duties and activities. Primarily, they run and facilitate inductions and act as an information link into Tonkawa Lodge for visiting units. They also provide units with the knowledge they need to help their OA members grow into quality youth leaders through the Order.

Ice Cream Social

Day 1 is the Order of the Arrow ice cream social. During this time the OA members on staff will give a quick synopsis of the OA's programs and exciting upcoming events. They will inform members of how to get more involved and how the OA fits into Boy Scouting in general. OA members from any lodge are welcome to join us for the social!

Brotherhood

On Day 2, Ordeal members are inducted into Brotherhood membership. An Arrowman is eligible to go through the Brotherhood Ceremony if it has been more than 10 months since his Ordeal Weekend AND he is a paid member of Tonkawa Lodge. The cost will be **\$16**, which includes a sash. **National policy restricts Brotherhood candidates at winter camp to only those Ordeal members that are registered in units in the Capitol Area Council.**

Call-Out

Day 3 is the most exciting day at camp for Arrowmen. This is the day of the weekly call-out, held during the closing Campfire Ceremony. Units who had new member elections during the previous year submit the names of those elected who have not been recognized or inducted yet. This is done in front of the entire camp and serves as a glimpse into our order for non-members and as an impressive way to recognize the Scouts and Scouters who have exemplified the Scout Law and Scout Oath in their everyday lives.

Those elected to be eligible to become members, called "Candidates," have a period of one year from the date of their elections (not from the date of their call out) to complete the Ordeal weekend. If a candidate does not complete their Ordeal weekend within one year from the date of election, they must be reelected to become a candidate again. All units are requested to bring a copy of their completed unit election form to summer camp to ensure that all candidates receive proper public recognition.

Camp Promotions

OA Chapter representatives are available as a resource that can be called upon by each troop for summer camp promotions at any time during the year. This is an ideal program for a Parent's Night or Court of Honor. Please contact your Chapter Chief for details – contact information is available at <http://www.tonkawa99.org>.

For more information, check in A Building for the name of the Camp Chief and set up a time to meet.

At the End of Camp

Merit Badge Completion Reports

Day 3 evening, adult leaders should pick up the merit badge results and other completion materials at the A-Building. Leaders are responsible for checking their materials and making certain that they have completion information for each Scout for each course they were enrolled in. This information will show the requirements that the Scout completed during the week. Courses will be shown "**COMPLETE**" if the Scout completed all merit badge requirements or "**PARTIAL**" if there are requirements that were not completed. For partials, the requirements listed are what was completed at camp. This is your only chance to resolve issues in person with the MB instruction staff.

Any requirements not completed at camp become the responsibility of the Troop and its leaders and merit badge counselors to verify. An example of this would be the requirement for the Camping merit badge that the Scout show experience by completing 20 days and nights of camping. As this obviously cannot be done during the one camp week, the adult leaders are responsible for marking the completion status of the requirement from troop records in writing so it can be filed with the other records.

Checkout Process

Day 4, when your troop gear has been loaded for departure from Lost Pines, leaders should send a representative to the Commissioners Area to have a Camp Commissioner inspect the bathhouse and campsite for cleanliness and, after the inspection is complete, release the troop for their trip home.

Before departure, be sure to check your mailbox one last time, and also check the lost and found to see if any of your Scouts' belongings are there.

Settle all accounting with the Business Manager and make reservations for next year, pick up your patches for Scouts and paid adult leaders as well as any Tonkawa Challenge and Scoutmaster Award of Merit patches earned by members of your Troop.

Stop at the Health Lodge to pick up Troop medical forms before you leave the camp. Any medical forms left at camp will be shredded for privacy protection. In addition, please make sure you pick-up any medications, Epi-Pens or inhalers that were given to the camp Health Officer.

Be careful going home!

MARK EVERYTHING WITH SCOUT'S NAME AND TROOP NUMBER

Scouts will be outdoors or in large tents for classes and will be sitting still – not active. Winter camp weather can be quite cold and rainy or icy, so Scouts will need lots of warm clothes and layers to be comfortable. Cotton clothing (such as blue jeans) doesn't insulate well if it gets wet and should be avoided. Nylon wind pants and jackets are useful, and with a fleece jacket and long underwear make a good combination for comfort even if it is windy and damp. Cots allow air to circulate below; a ground pad will be warmer.

Completely closed shoes are to be worn at all times unless you are in your tent or in the shower. A combination lock may be useful to lock your valuables up in the campsite if you have a footlocker, but it is best not to bring valuables at all if possible. Personal valuables (watches, wallets, money) should never be left out in the open at camp.

- BSA National Standards require tents to have the warning “No Flames In Tent” marked on the outside near the door way.

Troops may also want to bring a stove to keep warm drinks available in their campsite. Hot Cider and Hot Chocolate are always enjoyed on cold days! Burn Ban and Fuel use guidelines must be followed.

Don't forget to bring items such as thumbtacks, duct tape, vice grips, sharpening stone & oil. Check with the quartermaster or Camp Commissioners if you need anything.

Texas Youth Camps Safety and Health Act FORM

Due to: BSA-CAC, 12500 North IH-35, ATX, 78753 or fax 512-926-6870 by November 30.

On April 16, 2006, the state of Texas passed into law new regulations that affect the Texas Youth Camps Safety and Health Act (Title 25, Part 1, Chapter 265, Subchapter B, Rule 265.12(f)(f1a)(f2)(g). This rule affects all licensed youth camps in the state of Texas and became effective June 1, 2006. In order for the Boy Scouts of America and the Capitol Area Council to comply with the state law on protecting our youth camp participants we must require each leader to provide the items listed below. Your understanding and assistance in this important matter is greatly appreciated.

For every adult age 18 and older who will be attending camp even for one day, each unit must provide all of the following items for that person to be able to attend camp.

This act requires all adult volunteers, 18 years and older, to undergo a criminal background check. By submitting this form, you are authorizing a criminal background check of yourself. This check will be made from public record sources. You will have an opportunity to review and challenge any adverse information disclosed by this check.

Campership Assistance Request

How this Program Works:

Camping is one of the methods of delivering the Scouting Program. The Capitol Area Council wants to make sure every Scout has an opportunity to have a mountain top experience at camp. Please be aware that additional assistance is usually available through the Scout's Unit and Chartered Organization and that these resources should be asked before applying for a campership. All Scouts who receive campership aid should earn or provide part of their fee, in keeping with "A Scout is Thrifty".

After completing the Assistance Request, submit it to the Council Event Coordinator who will have it reviewed. If approved the Scout family will be provided up to 50% of the cost of camp (subject to availability and budget).

This program has limited resources and availabilities:

To help ensure that we continue to receive financial gifts to keep these programs possible, you are asked to include a brief letter with your assistance request that can be shared with possible donors. We ask that this letter be from the Scout and include what Scouting means to them and how attending this camp will have an impact.
