National Jamboree 2023

Contingent Policy

Personal Electronic Devices

1. Personal electronic devices (PEDs - digital cameras, mp3 players, personal game consoles, portable DVD players, cell phones, radios, GPS, etc.) will be allowed during the Jamboree subject to this policy. PED's are the sole responsibility of the Scout/owner - the contingent will not take time to look for lost items, go back to get forgotten items, deal with disagreements about usage, help find a place to charge the devices, or find batteries.
2. Use of PEDs while traveling will be allowed provided they do not cause issues - as determined by the Scoutmaster - potential issues include but are not limited to inappropriateness for a Scout activity such as extremely violent or sexual content, use in violation of airline or tour destinations (e.g. museum) policy, and distraction from the Jamboree experience.
3. Except for cell phones, digital cameras, radios or GPS systems which use is described further below, once at the Jamboree, all items will be stowed in the Scout/owner's duffel for the duration of time at Jamboree e.g. no gaming or movies during the evenings or other down time.
4. If at any time, the Scoutmaster, as final decision maker, determines that a PED is a distraction from the spirit of Jamboree, the PED will be confiscated and held for the remainder of the trip.
5. Cell phones may be used while touring and at the Jamboree for communications, as cameras and for accessing the Jambo app. They are not to be used for games, web surfing or other non-Jamboree related uses.
6. Cell phones may be used to contact home, provided that contact does not distract from the spirit of Jamboree or inconvenience others.
7. All cell phone numbers will be gathered and listed in the Unit Leaders' contacts lists so that the unit can communicate with Scouts while touring and at the Jamboree.
8. Unit leaders will not be responsible for arrangements to charge cell phones. While the Jamboree has taken steps to increase and improve charging stations, all participants should anticipate that at some point during the Jamboree the cell phone will lose its charge and there may not be a place to recharge. Cell phone charging will have priority over other PEDs
9. Scouts are expected to answer calls from adult leaders and to respond quickly to text messages from adult leaders.

10. Digital cameras and cell phones used as cameras should not be used to infringe on other peoples' privacy or in any other inappropriate manner. For example: no pictures in the shower, tents, toilet or while changing clothes. Pictures of any revealing, sexual or inappropriate manner will not be allowed or tolerated. Any scouts caught taking pictures of this type and/or of having such inappropriate pictures on their device(s) will have their devices confiscated and will be removed from the Jamboree site.
11. The Jamboree operates radio station QBSA at which Scouts have an opportunity to host as a DJ. Scouts are encouraged to listen to QBSA so long as it is not a distraction. Scouts should limit radios to something small. "Boom" boxes (large portable stereos) are prohibited. Scouts are encouraged to coordinate with their Jamboree Patrol Leader and limit the number of radios per patrol.
12. GPS units may be used during travel and at Jamboree when appropriate.
13. All PEDs should be turned to silent and use earphone/buds for the entire trip.
14. Confiscated PEDs will be returned to the Scout prior to entering the bus to leave Jamboree. They may be confiscated during the return trip if used improperly.
15. Scouts are encouraged to recycle spent batteries.
16. Devices should be kept in a waterproof container or bag.

Our goal at WorldStrides is to make this trip an educational, safe and enjoyable experience for everyone. We require your cooperation and commitment to the following behavior standards to help us meet this goal.

We expect the scout/participant to obey the following rules of behavior:

- The scout is to follow the directions and the rules and regulations established by the Chaperones both prior to and during the tour.
- The scout shall not be involved in any way with smoking, alcohol, illegal drugs, vandalism, theft, or any other type of behavior that is judged by the chaperones to be detrimental to the health, well-being, safety, or reputation of him/herself or anyone else in the group including the Chaperones or WorldStrides.
- The scout shall comply with all rules and regulations of the various governmental and vendor agencies (such as airlines, hotels, motorcoach companies, etc.).
- The scout shall remain with the group at all times unless, and only if and when, the Chaperones specifically allow you free time.
- The scout shall follow the directions of the Adult Leader, Chaperones, and WorldStrides Staff.
- The use of hotel facilities carries with it the responsibility of leaving them in the same conditions in which they were found. The scout is responsible for any damage.
- Quiet hours at the hotel will be observed from 10:00PM until 6:00AM. At 10:30PM scouts must be in their own rooms. Scouts must remain in rooms until awakened by Chaperones.
- The scout may never leave the hotel unless accompanied by a Chaperone.
- The scout must sleep in his/her assigned hotel room each night.
- Good common sense, respect and consideration for others and their property should be practiced daily.

If the scout should violate any of these rules, he may be sent home at the sole discretion of the Chaperones. In such cases, the parent/guardian will be contacted, and the scout sent home at the parent's expense.
